DIRECTOR OF CENTRAL INTELLIGENCE

SUBJECT: Tentative Carter-Teng Agenda (C)

1. First Meeting: Monday, January 29, 1979, 10:30 - 11:30 a.m.  
Topic: General survey of the world situation with a focus on the Soviet-American relationship and respective approaches to world affairs.
2. Second Meeting: Tuesday, January 30, 1979, 9:00 - 11:00 a.m.  
Topic: Tour d'Horizon, with a primary focus on SALT, Northeast (especially Korea), Indochina/ASEAN, South Asia (including Afghanistan and Iran). Secondarily, the discussion will touch on the Mid East, the Horn, southern Africa, and Europe. The President may also take up the global issues of concern to us: nuclear proliferation, arms sales, and human rights. (C)
3. Third Meeting: Tuesday, January 30, 1979, 3:30 - 5:30 p.m.  
Topic: Bilateral relations, with a focus on developing an economic relationship with China (claims/assets, the Blumenthal trip, the Krepes trip, and our long-term goal of reaching a trade agreement with the PRC and extending MFN and government-backed credits to the PRC;) science and technology exchanges; cultural exchanges; and perhaps Taiwan.
